

## Asset Management Planning for PEI

*Why? Where are we? What's Next?*

**Purpose:** *Taking Stock:* Why are PEI municipalities involved in asset management planning? What progress has been made? Where do we go from here? How will we get there?

**Target Audience:** **Elected Officials and Municipal Staff** of municipalities that have water and wastewater systems.

### Topics

**What is Asset Management & Benefits of an Asset Management Program**

**Roles & responsibilities of Staff and Elected Officials**

**Key steps in moving forward:**

- *The AM Team*
- *Policy, Strategy & Levels of Service*
- *Infrastructure Inventory and Current State*
- *Community Engagement*

**Resources: FCM MAMP Program**

- *Direct Funding*
- *Awareness & Capacity Building Support*

**Developing an Infrastructure Inventory**

- *Data Collection*
- *Decision making & operational support*
- *Demonstrating the Province's GIS integrated asset management tools*

**Maintaining infrastructure data**

**Next steps: Asset Management Cohort Program:**

- *Organizational Capacity Building*
- *Prioritization of Asset Renewal*
- *Community Engagement*
