

To change your reply name on Google Account.

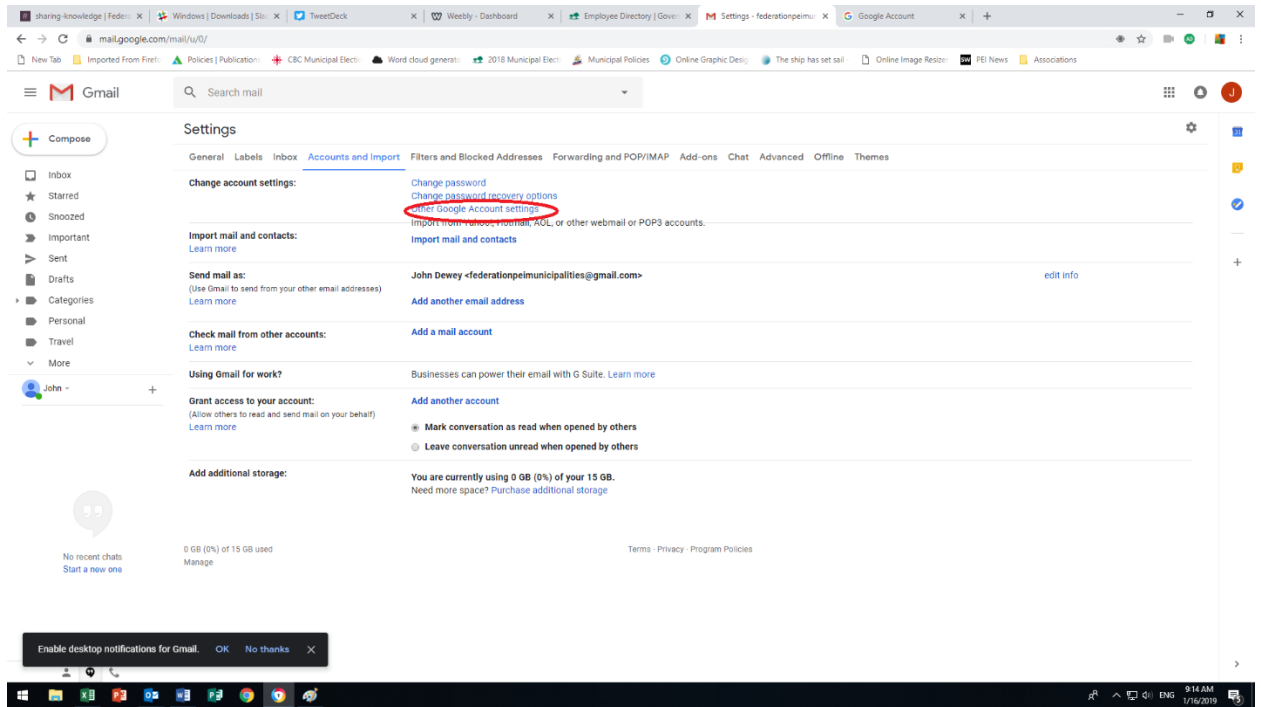

- 1) Login to Google Mail.
- 2) Look to the far right side, where I have circled there is a flower like button, click it and then click Settings, the third choice down.

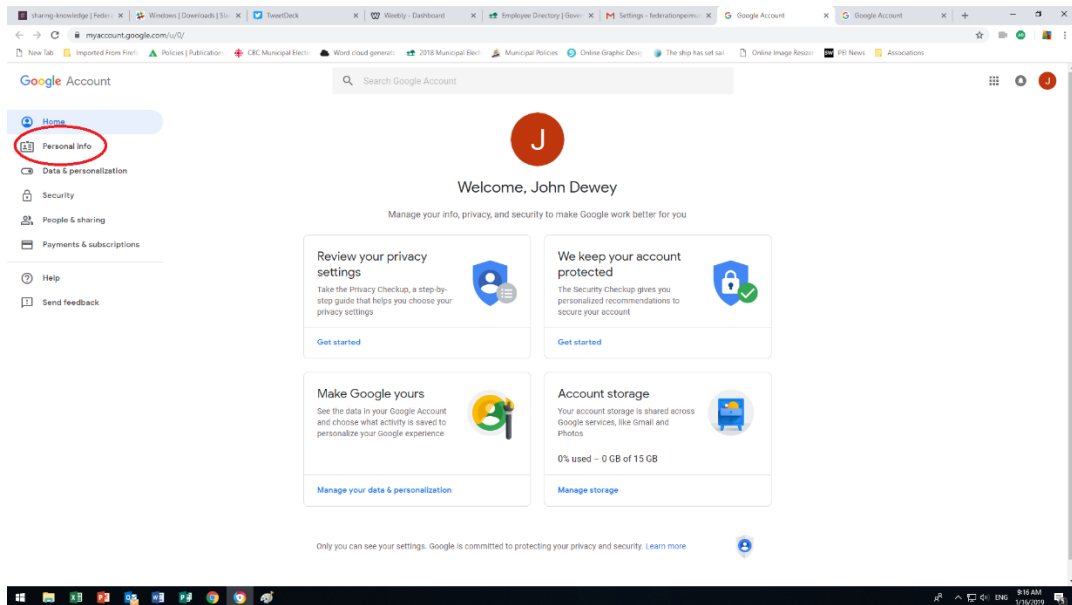

- 3) Now click Accounts and Import shown in the next image below.

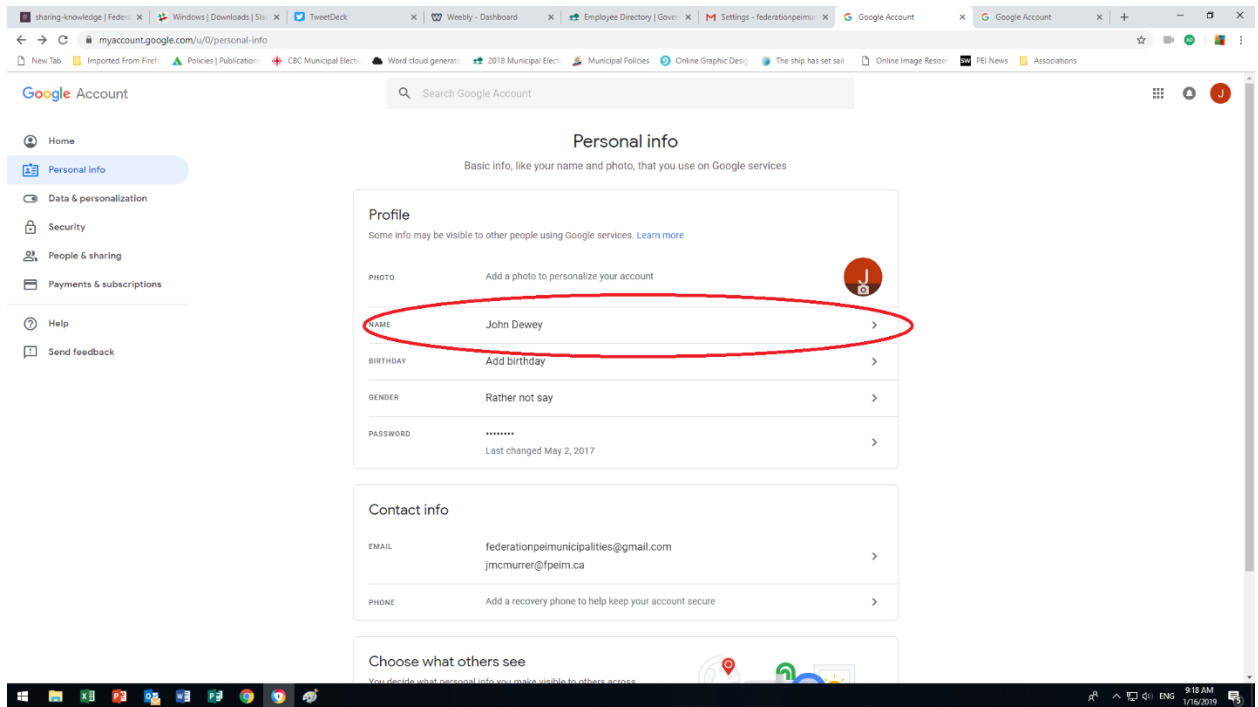

4) Now click other account settings as shown below.

5) Now click Personal info on the far left side

6) Click on arrow to name to change the Name.

7) Change name
